*A quick guide to what
we recycle!*

Please have bins out by out by 8 am on the day of your pickup.

PLASTICS

The types of plastics that we take are as follows, preferably empty and rinsed:

- Soft drink bottles
- Milk Jugs
- Detergent bottles
- Water bottles
- Shampoo & Conditioner bottles
- Household Cleaning Products

If you have any question on if it's recyclable, look for these codes on the bottom of the bottle, sometimes the 1 will say PETE:

CARDBOARD &

PAPER

- Cardboard
- Newspaper/Paper
- Please breakdown all cardboard boxes, unless containing paper products.
- Please put large amounts of paper into a cardboard box or paper bag.

CANS & METALS

Preferably empty and rinsed:

- Aluminum products – soft drink cans, beer cans, cat food cans, spam/treet cans, pie pans and aluminum foil.
- Steel products – canned foods, dog food cans, baking trays and pots and pans.
- Small appliances – vacuums, microwaves, toaster ovens, fans, computers, and tools.
- If too large, please contact L & L or drop off on trailer at address on back of flyer.
